EUROPEAN OMBUDSMAN AWARD 2017

**The LIFE programme was the winner
in the chapter “Excellence in
collaboration”**

In Małopolska, Poland, concentrations of benzopyrene are 100 times greater than in London. The LIFE team from DG Environment, DG Climate and the Executive Agency for Small and Medium-sized Enterprises (EASME) worked with regional authorities and civil society to leverage €800 million (in addition to an initial €15 million), helping the region implement an air quality plan for the benefit of its 3.4 million citizens.
